GALVANISED
HAND PALLET TRUCK

2000KG

The Galvanised Pallet Hand Truck offers excellent corrosion resistance, making it ideal for both indoor and outdoor use. At SHS, we also stock a Stainless Steel version for environments with strict hygiene requirements.

- ✓ Galvanised steel body for high rust resistance.
- ✓ Hydraulic pump with a slow-lowering hand control and 3-position lever.
- ✓ Tandem load rollers reduce ground contact pressure by 50% for easier, low-effort movement.
- ✓ Nylon entry and exit rollers minimise strain and protect load rollers and pallets.
- ✓ Resistant to water, low temperatures and outdoor conditions.
- ✓ Durable design with extended service life when properly maintained.
- ✓ One-year standard warranty.
